**ACC Program:**

Computer Repair, Programming,  
Engineering

**Occupation**

**Personal Banker**

**Home School**

**LaSalle**

**Peru**

## What I Learned at The ACC

Hands on experience with computers. I've learned a lot doing this in the shop and I value all my hardware troubleshooting skills

## My Advice to The ACC

Take on as much work as you can and then do it. The more you accomplish in your earlier years the bigger the reward will be once you start setting down.
