

LPACC Hall of Success

Mark Theisinger
Class of: 2002
ACC Program:
CAD Drafting &
Machining

Occupation	Mining Engineer
Home School	LaSalle—Peru

What I Learned at The ACC
High standards in technical drawing are extremely important. Also, that rings, watches, jewelry, good shoes, and good pants are essential to machine shop class.

My Advice to The ACC
Don't stop; I know it sounds cliché, but don't stop.
