

LPACC Hall of Success

Marianna Rosales

Class of: 2019

**ACC Program:
Health Occupations**

Occupation

CNA

Home School

DePue

What I Learned at The ACC

Going to the ACC and taking this class made me realize how important a CNA job really is. I'm grateful to say my ACC teachers were amazing and taught me everything I needed to know in order to be successful in my career choice

My Advice to ACC Students

Work is not easy unless you love what you do! Also to my new CNA friends, don't forget to raise the beds!:)
