

LPACC Hall of Success

Alexis Richards

Class of: 2016

ACC Program:
CNA & Fire Science

Occupation

CNA

Home School

Princeton

What I Learned at The ACC

I learned how to be compassionate and have more patience with the elderly. I also learned there is a drastic change in needs between the younger age

My Advice to The ACC

The best advice I can honestly give an ACC student is to listen and be patient with the other students you meet.
